DETAILED ACTION

Allowable Subject Matter

1. Claims 1-13 are allowed.
2. The following is an examiner's statement of reasons for allowance: No prior art notes the limitation of electrode height less than 2 um RMS. As the method claims also have this limitation, it is clear that they too are allowable and the restriction is thus withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thomas M. Dougherty whose telephone number is (703) 308-1628.
